

THURSDAY, JANUARY 19TH

We will stand together across the nation to tell President-elect Trump:

WE WILL PROTECT OUR STUDENTS, OUR SCHOOLS AND OUR COMMUNITIES.

On Jan. 19, school staff, parents, students and community allies will stand together in a national day of action at schools across the country to:

- Demand that our schools and campuses be **sanctuary spaces** from the threat of deportation, racism and bullying.
- Support public education and call on the Senate to **reject Betsy DeVos as secretary of education**.
- Call on policymakers to invest in our public schools, make the billionaires and Wall Street pay their **fair share**, and protect Title I funds.
