

Reading is a Gift in Any Language

Reading is the key to success in school and in life. As your child's first and best teacher, what you do at home to help your child become a good reader will better prepare him or her to reach their goals.

Whether or not you are fluent in English, you can immediately begin to help your child build strong literacy skills. Visit www.ColorinColorado.org, a free bilingual website full of useful advice and resources for parents and educators who want to help children grow and succeed.
